BRING YOUR OWN DEVICE

At **Upper Lake High School**, we work hard to make sure we keep you safe, learning, growing, and connecting!

DEVICES will be an important part of our learning, both at school and at home. We want each individual student to have a laptop with them at all times for every class.

School Chromebooks will be ready to check out on MONDAY, August 14th and you may keep your Chromebook with you 24/7. If you would prefer to bring and

use your own personal laptop instead, you are welcome to do so. Students are RESPONSIBLE for RESPECTING the chromebook they receive from the district AND bringing their chromebook fully charged to school EVERYDAY!

12th Grade 1st Period, 11th Grade 2nd period, 10th Grade 3rd period, 9th Grade Group 1 4th period, 9th Grade Group 2 5th period.

MESSAGE FROM DR. PETRIE

Happy Friday, Mighty Cougars!

Let's finish this week strong! Your positivity and energy have been contagious—let's keep that momentum going. Here are some important reminders:

1. **Field Day Today:** To participate in the rock wall or water slide, you need a signed permission slip. Pick up your wristband from Shelby before lunch. Remember: no wristband, no entry.
2. **Next Week:** We're starting STRONG! Be ready to learn every period, every day. Your teachers will help you understand what being READY TO LEARN means and how to ensure you're fully prepared.
3. **Bring Your Own Device:** Every student must bring a fully charged device to school each day. Treat your Chromebook like your cellphone—charge it every night and bring it daily. Chromebook check-out begins on Tuesday, so stay tuned!
4. **Student Athletes:** Practice starts on MONDAY! Ensure your physical is complete and all registration is done on Arbiter Sports. The link is in the chats and on our website under Athletics.

We're proud of you and excited for a Friday filled with fun and team spirit. Let's keep taking care of each other!

GO MIGHTY COUGARS!
