READY TO LEARN ADVANCED:
I make eye contact with the teacher and greet them by name as I enter the room.

I store my **cell phone and earbuds in the phone organizer or backpack** for the entire class period and gather my **supplies**.

I start my entry activity work **before** the teacher reminds me to.

My actions and words are **focused on the next steps in the class**.

SAFE AND WELCOMING SCHOOL

Student safety is always our #1 priority. It goes without saying but nevertheless, a good reminder for all students: Alcohol, Tobacco, Marijuana, or Illegal Drugs are **absolutely prohibited**. Students may not be in possession of paraphernalia associated with drugs. Examples of such paraphernalia include rolling papers, pipes, vape pens, hypodermic needles, etc. Students will be searched upon entry and if you see something, say something.

THANK YOU FOR STAYING SAFE!
