Dinner is provided!

Our monthly School Site Council meeting takes place Tuesday from 3:30 - 4:30 pm. The School Site Council is an organization made up of the principal, teachers, parents, students, and other school staff.

School Site Council meetings are generally held the last Tuesday of every month at 3:30 pm Room 16 or via Zoom. Agendas are posted on our website under "Families" and "Site Council."

GOOD LUCK TO OUR FFA STUDENTS COMPETING IN THE 2022 LAKE COUNTY FAIR!

At Upper Lake High School we pride ourselves in providing a comprehensive education that includes opportunities in Academics, Activities, Arts and Athletics. Our expectation is that students put **ACADEMICS FIRST** and then strive to **ALWAYS BE THEIR BEST** in extra and co-curricular activities.

One special activity happening this week is The Junior Livestock Auction at the Lake County Fair. The Junior Livestock Auction is the culmination of a year's worth of hard work and represents a substantial investment of time and effort. Junior Livestock Auctions provide young people with valuable agri-business experience, and the money they earn goes toward helping them achieve their educational goals.

In addition to the Junior Livestock Auction, some of our ULHS students will show their **The Supervised Agricultural Experience (SAE)** project. SAE is an important part of our FFA program that involves practical agricultural activities performed by students outside of scheduled classroom and laboratory time. SAEs provide a method in agricultural education for students to receive real-world career experiences in an area of agriculture that they are most interested in.
