LAKE COUNTY FAIR

Congratulations to our FFA Students for participating in the Lake County Fair! FFA students, remember if you keep your animal at the school farm, you are responsible for cleaning your area.

BRING YOUR OWN DEVICE

Chromebooks are an essential and important tool for learning. Students at ULHS and CVHS are allowed to check out a Chromebook and a hotspot (if needed) for the duration of the school year. Students on long-term independent study at ULMS will be allowed to check out a Chromebook and hotspot for the year.

High school students are required to bring their Chromebooks to campus each day fully charged.
