

# Welcome to OSBORNE MIDDLE SCHOOL

We are excited to welcome our future Hawks to Osborne Middle School this coming fall. Our rising 6th Grade Family Nights are a great way to find out more about what your student's middle school experience will entail. You will be able to see our facilities, meet the principal, and learn more about academics, athletic programs, PBIS, and activities our school offers.

## The Transition FROM ELEMENTARY SCHOOL

Students who completed the previous school year at one of our feeder elementary schools (Duncan Creek ES, Fort Daniel ES, or Puckett's Mill ES) do not need to complete Online Registration or make a registration appointment. All information will roll over to OMS. Please make sure that you update any information that might have changed during the summer at the beginning of the school year to ensure we have up to date contact information and immunization records.

## General School INFORMATION

Our OMS Website is a great way to find information about our school. Make sure to visit our website for up-to-date information about Clubs, Athletics, Activities, our School Calendar, and so much more.

Gwinnett County Public Schools, located in the metro Atlanta area, is the largest school system in Georgia, and continues to grow. As a school system of choice, the finest teachers, involved parents, and supportive community are key elements in the district's quest to become a system of world-class schools.

## Addressing Concerns at School

At OMS we are here to support our students and parents. The diagram above is a starting point for addressing concerns or answering questions you may have.
