Learning & Connecting: Nothing Can Stop Us!

*WEDNESDAY, SEPTEMBER 11, 2024
MINIMUM DAY*

On September 11, 2001, ordinary Americans performed extraordinary acts of heroism. Firefighters and police officers rushed into crumbling buildings and raging fires to save others. EMTs, construction workers, colleagues, and strangers tended to the wounded. Passengers and crew members gave their lives to thwart another attack. And a generation of women and men answered the call of duty by joining our Armed Forces to defend our freedom and our democracy. On this Patriot Day and National Day

of Service and Remembrance, we pay tribute to the heroes and victims who lost their lives on September 11, and we recommit ourselves to the spirit of unity, patriotism, and service that carried our Nation through in the days that followed.
