

Medical Information Required for Grades 3–5

Any student newly admitted to grades 3–5 must have

- For only those transferring from an out-of-state school, a **vision exam** documented on the State of IL Eye Examination Report dated on or after September 2, 2024. Due by March 15, 2026.
- A **physical examination** documented on the IL Certificate of Child Health Exam Form, completed within a year prior to entry, and signed and dated by a physician, nurse practitioner, or physician’s assistant. Due September 2, 2025.
- A complete record (month/day/year) of immunizations as part of the physical that includes:
 - DTaP/DPT** (Diphtheria/Pertussis/Tetanus): Five immunizations, the last given at or after 4 years of age. (Four are acceptable if the last is given after four years of age.)
 - Hib** (Haemophilus influenzae Type B): Four immunizations.
 - PCV** (Pneumococcal): Four immunizations.
 - IPV/OPV** (Inactivated or Oral Polio Vaccine): Four immunizations, the last given at or after four years of age. (Three are acceptable if the last is given after 4 years of age.)
 - MMR** (Measles/Mumps/Rubella): A first immunization on or after one year of age. Please note that a measles immunization given before a year of age does not count as the first of the two required measles immunizations.
 - MMR or measles booster**: All students must have a second measles or MMR shot.
 - Hepatitis B**: A series of three vaccinations.
 - Varicella** (Chicken Pox): One immunization on or after one year of age.

Students from outside the United States must meet Illinois requirements even though their country of origin follows a different immunization schedule.

Exemptions

Requests for medical or religious exemption from physical exams and/or immunizations must be submitted in writing. Medical exemption is based on a signed statement from a healthcare provider specifying the reason for the contraindication. Families requesting a religious exemption must have their healthcare provider complete the Illinois Certificate of Religious Exemption. Under Illinois law, the Laboratory Schools administration is responsible for determining the validity of the request
