## CAMPUS REMINDERS

Students are expected to be reasonable in their display of affection on campus. Anything considered in poor taste will be addressed by staff members. Tier One and Two interventions may be applied in an effort to help the students grow in their understanding of what is appropriate behavior at school and in public.

Please leave blankets at home. They are not appropriate to have at school. If you need a coat to stay warm, we will make arrangements to get you a coat. This expectation is in our student and family handbook.

Please use the Campus Pass when leaving the classroom. Those without the pass may find themselves being escorted to use the restroom and to go in between classes, also known as structured days.

If you come to the office because you are not feeling well, the office staff will immediately make a phone call to your guardian so you can be picked up, taken home, and cared for. Students will not be allowed to hang in the health aid office.
