CAMPUS REMINDERS

If you come to the office because you are not feeling well, the office staff will immediately make a phone call to your guardian so you can be picked up, taken home, and cared for. Students will not be allowed to hang in the health aid office.

Please use the Campus Pass when leaving the classroom. Those without the pass may find themselves being escorted to use the restroom and to go in between classes, also known as structured days.

Please leave blankets at home. They are not appropriate to have at school. If you need a coat to stay warm, we will make arrangements to get you a coat. This expectation is in our student and family handbook.

Please remember, no Door Dash or other deliveries are allowed at school.

LEARNING WALKS - NEXT WEDNESDAY

Next Wednesday, we will have guests visiting for Learning Walks. They will be observing in classrooms. If you're asked our three questions, just be yourself and respond naturally.

1. *What are you getting good at today?*
2. *What does good look like?*
3. *What level are you on & what do you need to do to get to the next level?*
4. *What is an example of an iterative cycle OR what is an example version 1 and a version 2 that you did better the 2nd time?*

ACADEMIC INTEGRITY

We value honesty in learning and expect our students to achieve with integrity. Academic integrity is a commitment to the values of honesty, trust, fairness, respect, and responsibility in the academic process. Developing students who achieve with integrity is an educational commitment among students, parents, and teachers.

Instances of plagiarism or cheating are viewed as direct violations of our code of conduct. Academic integrity means that a student accurately and reliably presents information and research, and gives appropriate credit for other people's work or ideas. **When you do not properly cite your sources or you borrow the ideas, language, or work of another person and pass them off as your own product, it is called PLAGIARISM.**
