Please remember, no blankets on campus. If you are cold, we will find you a coat to call your own.

CORE VALUES

In Cougar Country, we value **honesty** in learning and expect our students to achieve with **integrity**.

Academic integrity is a commitment to the values of honesty, trust, fairness, respect, and responsibility in the learning process. Academic integrity means that our Cougars accurately present information and research and give credit for other people's work or ideas. When you do not properly cite your sources or borrow the ideas, language, or work of another person and pass them off as your own product, it is called PLAGIARISM.

COUGARS PRACTICE ACADEMIC INTEGRITY! WE ARE THE MIGHTY COUGARS!
