Students out of class without a pass may find themselves being escorted to the bathroom and perhaps on structured day. All students must have a campus pass.

Please remember, no blankets on campus. If you are cold, we will find you a coat to call your own.

Today, we will have guests visiting for Learning Walks. They will be observing in classrooms. If you're asked our three questions, just be yourself and respond naturally.

1. **What are you getting good at today?**
2. **What does good look like?**
3. **What level are you on & what do you need to do to get to the next level?**
4. **What is an example of an iterative cycle OR what is an example version 1 and a version 2 that you did better the 2nd time?**

The Navy recruiter will be on campus during lunch time today.

Wolf Pack meets the last Thursday of every month during 3rd period in room 1. Students should look at their email for the calendar invite. If you have questions, see Ms. Hayenga or Mr. McLaurin.

## *OUR CORE VALUES*

Upper Lake High School belongs to the student as much as it belongs to the faculty. When students

disrespect their school, they hurt themselves and those around them. Schools should be a comfortable, safe haven for students to learn. When a student lacks respect for school property, it can bring the quality of life in the school down.

At Upper Lake High School, we strive for excellence in Academics, Activities, Arts, and Athletics. It takes our entire community to keep our campus SAFE and CLEAN for all. Please do your part and take care of our community. Need support, reach out!
