2. The [CNA](#) reflects the current status of the school by answering the following four questions. Members will be assigned to teams to begin working on a response to the questions.

1. Who are we? (Demographics)
2. How well do we do business? (Perceptions)
3. How are our students doing? (Student Achievement)
4. What are our procedures, methods and practices? (Processes and Programs)

CNA Teams will work collaboratively to:

Use the [Key Questions to Consider document](#) to complete the CNA Plan Summative for each of the four Multiple Measures. Utilize the current CNA as a guide. Each group will answer the following:

- Data Sources: Start with the big data for your area – List the most current student or campus data to support your area.
- Strengths: For your assigned Multiple Measures Area, make a list of current strengths and state why they are strengths.
- Needs: Make a list of current problem areas identified in the data. What areas of need continue? What areas of need should be added?

- Brainstorm suppositions about why the problems exist – with no solutions. Only focus on theories and ideas that are within our control.
- Prioritize the list of problems and determine which are the most important to be included in next year's improvement plan.
- District/Campus Priorities: List priorities for GPISD and Morton ES.

The last Campus Improvement Committee will tentatively be held May 13, 2025.
