NATIVE AMERICAN HERITAGE MONTH

National Native American Heritage Month is celebrated each year in November. It is a time to celebrate the traditions, languages, and stories of Native American, Alaska Native, Native Hawaiian, and affiliated Island communities and ensure their rich histories and contributions continue to thrive with each passing generation. This November and every month, we celebrate the culture and heritage of these remarkable Americans who deeply enrich the quality and character of our Nation. We celebrate Indian Country with its remarkable diversity of American Indian and Alaska Native cultures and peoples while remembering and honoring our veterans who have sacrificed so much to defend our Nation.
