STOP THE VOID PRESENTATION TODAY DURING 2nd PERIOD

Today during 2nd period, we will come together in the gym (enter through the foyer) for a presentation sponsored by Lake County Office of Education focused on fentanyl prevention and education. This is an important opportunity to learn, show respect to our guests, and support the health and safety of our community. GO COUGARS!

COUGAR RESTROOM AND LOCKER ROOM ETIQUETTE

Here in Cougar Country, we practice our Core Values of Trust, Respectful, and Responsible. This means that we use restroom and locker room etiquette. Etiquette means that we are polite and respectful. For example, we pick up and clean up after ourselves. If you notice that the restrooms or locker rooms need attention, please let the office know.

Please remember that students are not allowed to visit the parking lot during class, break, or lunch. If you need to get something out of your car, please check in with Morgan in the front office. No sitting in cars or hanging in the parking lot during school hours. If you have any questions, please speak with Ms. Toback.
