NON-PRIVILEGE LIST

Loss of Privileges/Non-Privilege list – If someone abuses a previously earned privilege, that privilege can be revoked. The student can earn it back by successfully engaging in the expected behavior under supervision, or by meeting prearranged criteria for reinstatement of the privilege. Loss of certain campus privileges (dances, sports, extra-curricular events, etc) might be applied in response to any behavioral incident for a predetermined length of time. The Non-Privilege list will be enforced this week during all extra-curricular activities.

A gentle reminder to all who drive to school. You are allowed to drive to and from school but students are not allowed to hang out in cars during class, break, or lunch. The parking lots is off limits to all students during school hours unless arriving or departing.

COUGAR RESTORATIVE PRACTICES

Restorative practices are used in schools to foster an equitable and positive school culture. Restorative practices focus on strengthening relationships and connections between individuals, both youth and adults, in a school community. They support a positive and safe school climate, prevent bullying, and reduce disciplinary incidents. A restorative culture can mitigate the negative effects of punitive discipline policies that exacerbate inequity.
