If you have any questions, please speak with Ms. Toback.

When we return to campus on Monday, January 8th we want to remember our Cougar Core Values of TRUST, RESPECTFUL, and RESPONSIBLE. When we come back to school in January, it's a great time to reflect on all that we have accomplished and set some new goals!

Tip #1: Think of someone you admire. What traits or achievements does this person have that you might want to emulate?

Tip #2: Reflect on what you accomplished during the first semester. What are things that you did well? Are there areas where you want to improve?

Tip # 3: Remember, setting goals on their own won't get you anywhere—you need to set mini goals and identify action steps on the way to your larger goal.

Here in Cougar Country, we support each other to achieve our goals as we LEVEL UP in life!
