## *SPRING SEMESTER REMINDERS*

Please remember that students are not allowed to visit or hang out in the parking lot during class, break, or lunch. If you need to get something out of your car, please check in with the front office. No sitting in cars or hanging in the parking lot

during school hours. If you have any questions, please speak with Ms. Toback.

**Spring Semester begins on Monday, JANUARY 8th!** Remember, our CORE VALUES of Trust, Respectful and Responsible are the OXYGEN that fuels our work! When we return as a learning community, we will:

**1. Lead with COUGAR PRIDE!**

Cougar pride is an essential component in creating a successful and welcoming school community. Having pride gives students a sense of ownership and their place in our Cougar Family.

**2. Support each other to LEVEL UP, inside and outside the classroom!**

In our school, we help each other all the time! This is a school where you try it, get coached up, and try it again to see how much better it can be.

**3. Pursue Victory with Honor!**

Here in Cougar Country, we display proper sportsmanship and play by the game's rules because it's the right thing to do! We expect our Cougars to support our teams by being a positive representative of your family and your school.

**4. Follow ALL Safety Precautions!**

Keeping our school safe allows our Cougars to look forward to being in an encouraging environment that promotes social and creative learning.
