

South Kitsap High School PTSA Scholarships

2025 Scholarship Application Cover Sheet

The members of the South Kitsap High School PTSA want to encourage and emphasize the importance of education and community service. We recognize that the path for each student is unique and important to them, be it through volunteering, employment or community involvement. We would like to honor and recognize graduating seniors who serve in our community.

Two \$250 scholarships shall be awarded to graduating seniors from the South Kitsap School District, including alternative or home schooled, who have displayed their commitment to our community. These scholarships are to be awarded to high school seniors that are pursuing post-secondary education, including two-year, four-year, vocational and technical schools.
