

ASSIGNMENT, TRANSFER, AND REASSIGNMENT OF LICENSED PERSONNEL

The Superintendent/designee shall be responsible for the assignment, transfer, and reassignment of licensed personnel. The Superintendent/designee shall propose and the Board of Trustees shall approve assignment, transfer, and reassignment procedures in accordance with the provisions established through the Nevada Revised Statutes (NRS) and the appropriate collective bargaining agreement (CBA).

Subject to the provisions of a CBA, the Superintendent/designee shall have full power and authority to assign, transfer, and reassign licensed in accordance with the applicable CBA. The provisions of the respective CBA outline the processes for assignment, transfer, and reassignment in specific circumstances.
