PA Harvest of the Month – April is Leafy Greens Month

Did you know?:

-Some examples of leafy green veggies include spinach, Swiss chard, kale and lots of different types of lettuces.

-They are super rich in nutrients including vitamin A&C, folate, iron and potassium

-Lots of different leafy greens are harvested in PA in April/May and can be found in local farmer's markets.

*NHSD proudly serves local products whenever possible!
