PARENT & CAREGIVER WORKSHOP

Protecting Kids in the Digital Age

What Every Parent Needs to Know About Digital Safety

The online world is evolving faster than ever, bringing new dangers for young people from social media grooming via platforms like Snapchat and Pinterest to AI-generated explicit content and financial sextortion. It's critical that parents stay informed about the risks and protective measures.

Join Nest for informative discussion and live Q&A that will provide parents with practical tools to navigate conversations with their kids about online safety and expert insights into the latest threats impacting students today.
