VALENTINE'S HEART DECORATING CONTEST WINNER

Congratulations to Alayna Ramirez for winning the Valentine's Day heart decorating contest!

For this activity, students were given a white heart to decorate. Each heart represented key traits, talents, and descriptions of the student's unique qualities. Everyone did an amazing job, and it was so wonderful to see all of their creativity shine!

As part of the fun, she won a \$25 gift card!

Thank you to all students for participating and submitting their decorated hearts.

As a part of our Early Literacy program our students are encouraged to read to their babies and participate in contests to win prizes.

BLUEY EASTER

Celebrate Easter with Bluey and Bingo, characters based on the wildly successful Disney animated series *Bluey*. Bluey and Bingo are worried that the Easter Bunny has forgotten them, until they find clue after clue that takes them on an adventurous egg hunt.

Teach your child about story themes or messages. Easter itself has a strong message about love, and the love and bond that these siblings have is the reason the story ends happily. Besides working together, There is a lesson about patience and never giving up.

Social, emotional learning books like this have a positive impact on children.
