WINTER 2025

THE BASICS OF 403(b) AND 457(b) PLANS

What is a 403(b) or 457(b) plan?

A 403(b) and/or 457(b) plan allows you to save for retirement on a tax-deferred basis. Your contributions are voluntary, and you can choose the amount based on your retirement goals.

For more specific information on your employer's plan, you can reference the Universal Availability, which can be found on your employer's page at:

https://www.omni403b.com

Why contribute to a 403(b) or 457(b) plan?

Although you may have a pension plan, that might not be enough to sustain you through retirement. The sooner you start contributing to a 403(b) or 457(b), the more you can boost your retirement income.
