

Parent Request to Override Course Recommendation Form

Pre-AP, Honors, AP, and Dual Enrolled courses move at a faster pace and the expanded curriculum goes beyond the expectations of grade level classes. These courses place greater responsibility on the student for their learning through independent learning, outside readings, projects and research.

Course(s) Change Requested:

(Drop) _____ (Add) _____

(Drop) _____ (Add) _____

Reason for request:

I understand that my son/daughter ***was NOT recommended*** for the course(s) listed above because placement standards have not been met. I understand the additional effort and requirements of the course(s) I am requesting. ***Though my child was not recommended by the school, I still wish to have my child enrolled in the course(s). Once placed in the course(s), I understand that changes will not be made to this course(s) request if my child is unsuccessful during the school year. Per Campbell County Policy, course changes can not be made after the first four days of a semester.***
