Bear Family,

Our school will be hosting Spring Voter Registration Day on Wednesday, April 2, 2025. Although a week early, this event is part of New Jersey High School Voter Registration Week (April 6-12, 2025), which celebrates youth civic engagement and encourages all eligible 17 and 18 year-olds to register to vote. Students will have the opportunity to do so during their assigned lunch period.

The New Jersey High School Voter Registration Week serves as a kickoff to high school voter registration efforts throughout April and May, leading up to the May 20 voter registration deadline for the primary election.

To be eligible to register to vote in New Jersey, an individual must be:

- A United States citizen
- At least 17 years old (though they cannot vote until they turn 18)
- A resident of county (Middlesex for EBHS residents) for at least 30 days before the election

We encourage all students who are 17 or older to take this important step in civic participation. They can register in person during our Spring Voter Registration Day or conveniently online at <https://voter.svrs.nj.gov/register>. If done in person, please have your child bring their driver's license or know their last four digits of their social security number.

Please take a moment to talk with your child about the importance of voting and encourage them to register. If you or your child is unsure if you have already registered, you can quickly check here: <https://voter.svrs.nj.gov/registration-check>

Have a great day and as always... Go Bears!

Sincerely,

Edward J. Bucior, Ed.D
