Amendment #2 (Turf and Logo)

The following are some corrections to the original LHS Weight Room Equipment RFP listing and clarifications:

1. Turf size to be 20' x 96', not 21' x 97'

2. Turf short hash marks to be white, not yellow. Provide industry standard transition trim piece from turf to floor. Provide deduct amount if LCSD chooses not to have a white border around the entire perimeter of turf.

3. Logo is block "L" per drawings (plates, dumbells and turf) and LCS Branding Guidelines.
