

REGGIE GROB STADIUM

PROPOSITION D

Proposition D, if approved, would provide major renovations and rebuilding of Reggie Grob Stadium (Grob), the district's oldest athletics facility, built in 1952.

Limitations:

- Built in 1952, Reggie Grob Stadium is 73 years old and is the district's oldest athletics facility.
- Grob is unable to meet current sports needs and future demand.
- Current walls and sizes of field limit type of sports that can be played.
- Current sod field limits play time for middle school football and soccer after inclement weather or wear.
- Current condition of facility and sod field limit rental revenue potential to support the district's general fund.
- Limited restrooms and ticket booth area
- Concession stand area is limited and not air-conditioned.
- Drainage system is aged, ineffective and pumping system is outdated
- Grob does not meet current ADA regulations.
- Insufficient athlete/staff sideline area
- Outdated A/V technology and video boards

The 2025 Bond would enable:

- New synthetic turf field
- Expanded field size to accommodate soccer and rugby
- New home (west) bleacher seating (3,000 capacity) with new press box and concessions
- New visitor (east) bleacher construction with seating for 2,500 to include new restrooms, concessions and support space
- New game day field house
- New band/performing arts plaza
- Comprehensive security package that may include updated entry infrastructure and security systems (cameras and alarms)
- Upgraded sports lighting, A/V and low voltage systems and new digital video board
- Replacement of lift station to include new pump system and enclosure
- Replacement of perimeter fencing and added fenced-in covered storage area for athletic equipment and vehicles
- Renovation of athletics grounds building that may include roof replacement, window replacement, LED lighting, fire sprinkler system, new doors and openings, upgraded restroom fixtures and partitions and upgraded MEPT systems
- New expanded spectator and bus parking and repair or replacement of existing asphalt parking lots east and west of stadium to improve drainage, mitigate ponding water/low spots and extend life cycle
- New facility graphics and branding package

2025 BOND

Spring Branch ISD

A proposed bond program: The Spring Branch ISD Board of Trustees voted on Feb. 5, 2025, to call a **\$631.5 million bond election** to appear on the **May 3, 2025 ballot**. The Board's intent in calling this bond election is to provide upgrades to aging athletics facilities that will be used by current and future generations of SBISD students and our community at-large.

The Board is asking voters to consider four separate propositions on the ballot. Voters will cast their vote for each proposition separately.

PROP A High Schools

Proposition A, if approved, would provide funds to significantly upgrade aging athletics facilities at Memorial, Northbrook, Spring Woods and Stratford high schools. These facilities are utilized for whole-school events in addition to serving as competition and/or practice venues for athletics, performing arts, and cheer.

PROP B

Tully Stadium & Don Coleman Coliseum

Proposition B, if approved, would provide for major renovations and additions to the 59-year-old Darrell Tully Stadium and the 51-year-old Don Coleman Coliseum.

PROP C

W.W. Emmons Natatorium

Proposition C, if approved, would provide for the relocation and rebuilding of the 50-year-old W.W. Emmons Natatorium. The proposed location of the new facility is on the grounds of the district's athletics complex at 1050 Dairy Ashford, 77079.

PROP D

Reggie Grob Stadium

Proposition D, if approved, would provide for major renovations and rebuilding of the 73-year-old Reggie Grob Stadium, the district's oldest athletics facility, built in 1952.

PROPOSITION	IMPACT	COST
 Proposition A	High Schools	\$353,775,207
 Proposition B	Tully Stadium & Don Coleman Coliseum	\$127,935,050
 Proposition C	W.W. Emmons Natatorium	\$76,934,535
 Proposition D	Reggie Grob Stadium	\$72,851,468

Will the bond impact my taxes?

TOTAL=\$631.5M

Assuming all propositions pass, the maximum anticipated tax rate increase would be **.0475 cents per \$100 of valuation**, based on a conservative estimate of taxable property value growth. For a \$500,000 home, the estimated annual **additional tax burden would be \$142.50**. A property owner's tax burden (total tax paid) may change based on the appraised value of their property. **By law, the amount of school taxes paid (Tax Burden) is frozen for citizens who have 65+ and disabled homestead exemption.** Approval of this bond would not increase the amount paid above the frozen amount for these citizens.

*Based on state law as of Jan. 1, 2025.
