

## EMERGENCY CLOSINGS

The Superintendent may close the schools, dismiss students early, or delay the opening of schools in the event of hazardous weather, other emergencies that threaten the safety or health of students or staff members, law enforcement emergencies, or other circumstances where the Superintendent determines a closure, dismissal, or delay is necessary. It is understood that the Superintendent takes such action only after consultation with transportation and other necessary authorities.

Parents, students, and staff members are informed early in each school year of the method of notification in the event of emergency closings or early dismissals.
