

LOUISVILLE HIGH SCHOOL

WOMEN WHO SHAPE THE WORLD

Job Title: Physics Teacher	Classification: Exempt
Status: Regular, full-time	Department: Science

Job Summary:

We are currently seeking a regular, full-time Physics Teacher beginning in August for the 2025-2026 school year. The course load includes Physics, Physics Honors and AP Physics.

Essential Job Functions:

- Teach and engage with students in an active, effective learning environment
- Collaborate with peers to develop, review, and continuously improve curriculum
- Effectively communicate with students, parents, and colleagues
- Demonstrate a commitment to professional growth, including sharing best practices in pedagogy and educational technology
- Maintain accurate and timely grading and attendance records
- Actively support the co-curricular and extra-curricular programs of the school

Qualifications:

- Bachelor's degree in Physics and/or equivalent education
- Master's degree in Physics and/or Physics Teaching Credential preferred
- At least one-year teaching experience with high school students
- Must effectively collaborate with peers to develop, review, and continuously improve curriculum
- Commitment to professional growth, including sharing best practices in pedagogy and educational technology
- Strong interpersonal communication skills with students, colleagues, and parents
- Proficiency in current technology applications for classroom learning

The anticipated annual salary range that the school expects to pay for this position is between \$57,000 - \$90,000 depending on qualifications such as experience or education.

Interested candidates should send their cover letter and resume to HR@louisvillehs.org. Please put the job title in the subject line.
