The Board of Education prohibits the use of any DISTRICT funds for partisan political purposes or expenditures of any kind by any person or organization involved in the administration of District assisted programs.

This policy refers generally, but is not limited to, lobbying activities, publications, or other materials intended for influencing legislation or other partisan political activities.

In recognition of this stricture, the Board of Education assigns the Purchasing Agent the responsibility of monitoring expenditures of district funds so that said funds are not used for partisan political purposes by any person or organization involved in the administration of any district programs.
