Principal's Message

Wow, the year sure is flying by! To go along with the Major League Baseball season starting, we have rounded third base and are heading home! With that said, the last two months are always busy and my hope is that our students make this nine weeks the best quarter yet!

As you may know, April brings state testing for our students. These will provide our students an opportunity to shine and show what they've learned this year through their hard work and dedication. Please help us to prepare our 3rd-5th grade students by reading over the helpful tips below. Positivity and encouragement can go a long way.

In addition, I would like to remind everyone that Easter Break will begin on April 17th and will last through April 21st. School will resume on April 22nd. I hope everyone enjoys some time off. As always, please do not hesitate to reach out and thank you for your continued support.

Attendance Matters

Research shows that regular school attendance is one of the most important factors in student achievement. Every missed day a lost opportunity for your child to learn.

Consider this:

When a student misses just 2 days a month:

- They will miss 20 school days a year, which equates to:
 - 30 hours of math instruction
 - 60 hours of ELA instruction
 - 1 year of school by graduation

Let's set a goal for our students to be here all day, every day when they are not sick.

That's fantastic! Keep it up Oakview! We love having you here each day.
