SUPERINTENDENT'S CORNER

BY MR. DONALD PUTNAM, SUPERINTENDENT

As we move quickly toward spring, I want to reflect on the incredible work happening in our schools. Our West Valley students are already making a difference in their classes, demonstrating dedication, perseverance, and a genuine commitment to learning. Beyond their hard work in the classroom, students have been eager to share their successes—whether it's an academic achievement, a breakthrough in a project, or an athletic accomplishment. Their pride and enthusiasm are truly inspiring.

Their dedication is commendable, and I am continually impressed by how they embrace challenges and strive for success. As we progress into the next part of the school year, I look forward to witnessing even more growth, collaboration, and achievement across our district.

Thank you to our students, staff, and families for all you do to make West Valley a special place.

Kindness Week

Love and kindness were spread all throughout West Valley during Kindness Week (February 10-14). Students were encouraged to participate in a variety of activities including writing thank you cards to peers and staff, and building a kindness paper chain to show how kindness spreads. In addition, secondary students helped out in elementary classrooms.

Kindness Club ran after school for grades 3 through 12 with approximately 40 West Valley students participating. During Kindness Club, students painted banners for Kindness Week, created positive posters for classrooms and the hallways, wrote every student's name in the school on a heart, wrote thank you notes, created positive Lego creations, drank hot cocoa.

During lunch a smoothie bike was brought into the cafeteria for students to pedal to make their own healthy smoothies. Students also delivered breakfast pizza and self-made smoothies to all staff in the district. Overall, Kindness Week was a tremendous success, reflecting the spirit of kindness that West Valley promotes all year long.

Respect | Integrity | Safety | Empathy

On February 7, students in grades 7-12 participated in the third RISE Day of the school year. Those who demonstrated the core values of Respect, Integrity, Safety, and Empathy selected an activity as a reward for their hard work.
