## American Legion sponsored Jersey Boys State

New Jersey Boys State will return in 2025 for its 79th session as New Jersey's preeminent youth leadership and civics program, where over 1,000 rising juniors will join the ranks of illustrious alumni that includes Governors, US Senators, US Supreme Court Justices, and numerous executives. Boys State is essentially a civics course "in action" teaching:

- The ABC's of politics and your civic responsibilities
- The political units of government and their function
- The branches of government and their jurisdictions
- Functions of each office of city, county, and state government
- Functions of political parties and their roll in the political process
- The inner workings of the political party caucus & convention
- Strategies for operating a functional government at all levels

**DUE BY  
APRIL 4**

The program runs from June 15 – June 20, 2025 at Rider University in Lawrenceville, NJ. Any 11th grade male interested in attending Boys State should email Mrs. Dondero in the Guidance Office at [ldondero@rih.org](mailto:ldondero@rih.org) by April 4th.
