

## Extra-Curricular Activities/Clubs

Students who become involved have a more productive and enjoyable high school experience. There are numerous opportunities for involvement at A.B. Miller already established, plus new clubs can be started through ASB with proper sponsorship and approval!

| Club Name                                | Advisor                                   | Room             |
|------------------------------------------|-------------------------------------------|------------------|
| Anime Club                               | J. Manuel                                 | H-10             |
| AP Bio                                   | Z. Umandap                                | S-1              |
| AB AP Club                               | M. Stanhope                               | FL-9             |
