

PCSD Campus Bus Stop Redesign

Rylan Betker
&
Jackson Carlson

PCCAPS

Project Objective

- Create a master plan for the PCSD Campus Bus Stops
- Survey the student body and administration to gather wants and needs for the campus
- Find the most effective bus stops and focus on improvements for those

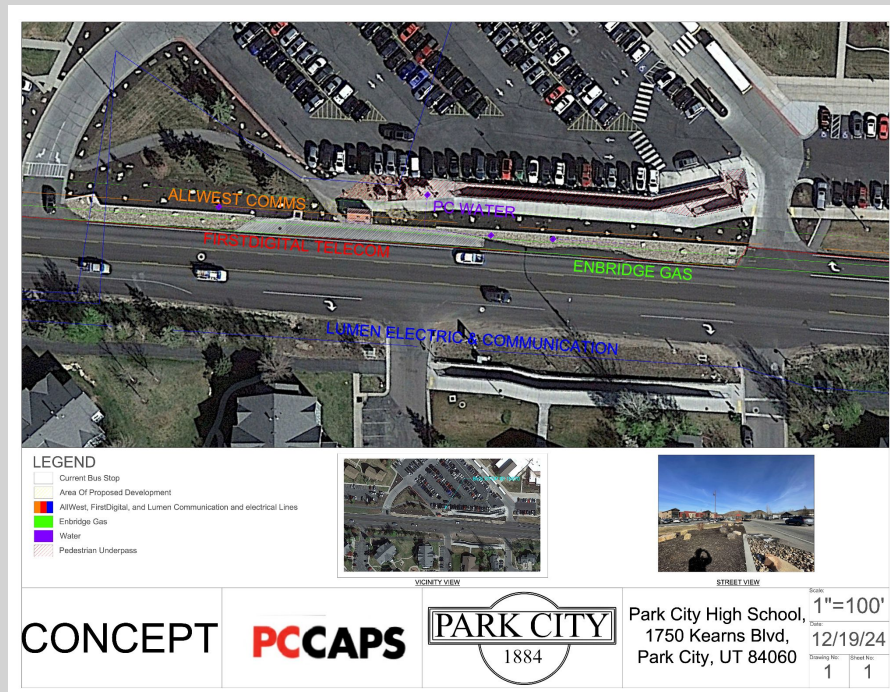

*Actual Shelter May Differ

PCCAPS

Deliverables

- Site Plan for North Bus Stop revisions
- Master Plan for PCSD Campus

Park City Mine

Flower Box Reference

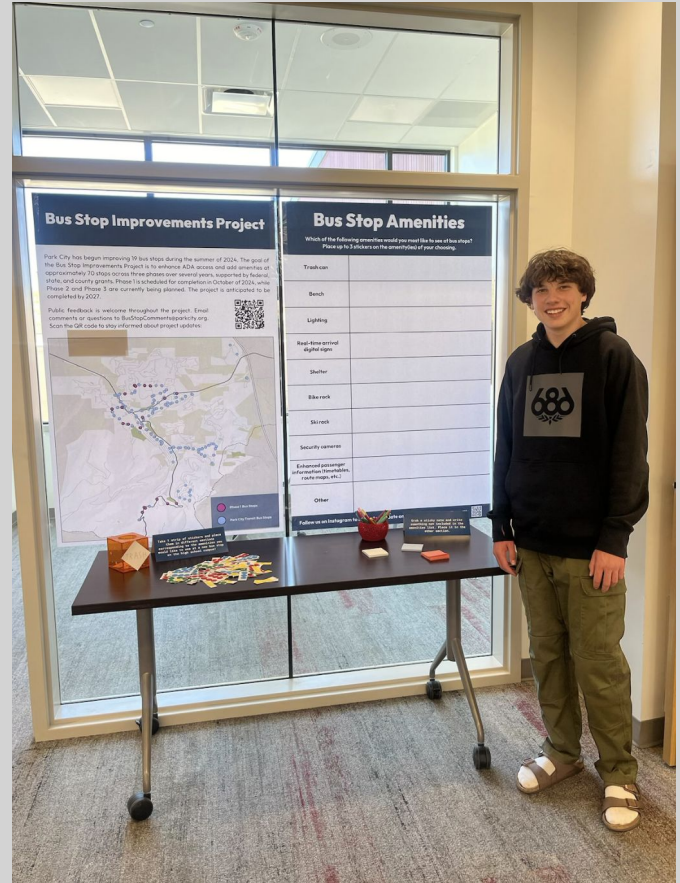

Challenges & Solutions

1. Discovering bus stops needing improvement
2. Creating a design that represents Park City and PCHS
3. Accounting for an influx of use around events

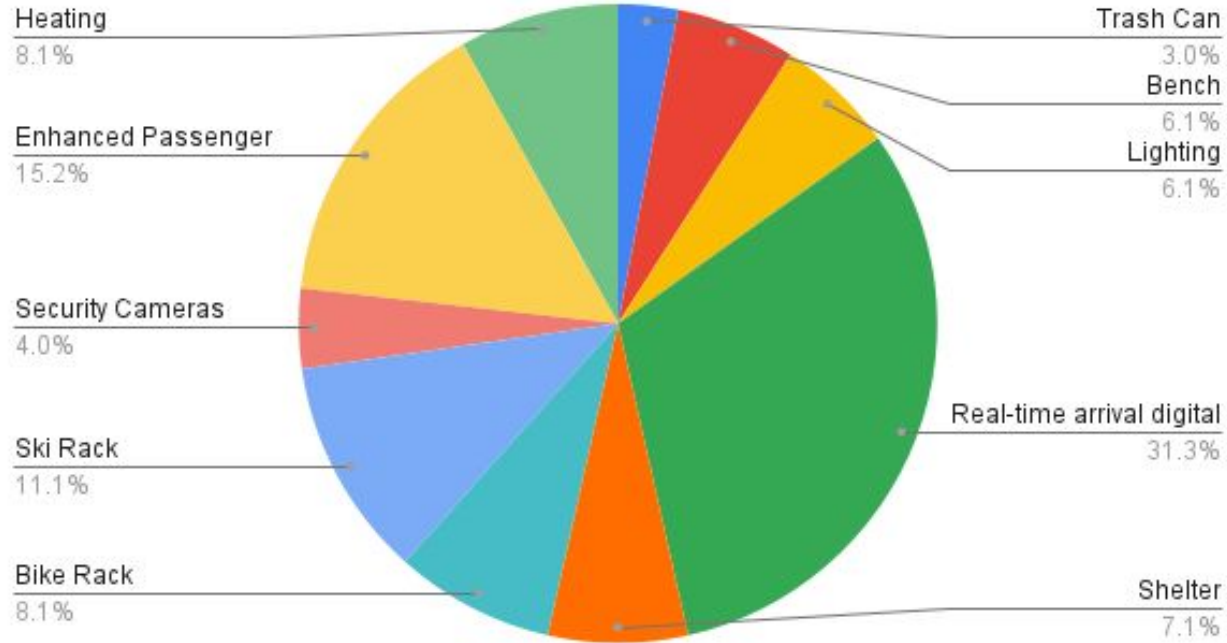

Knowledge & Skills Acquired

- Knowledge of Bluestakes for Utility information
- Auto Cad for concept design and site plan
- Ability to analyze survey responses and create meaningful questions.
