

Link Crew is a student leadership program that is comprised of hardworking, dedicated, creative, and outgoing individuals who believe in the importance of integrity, mentoring their peers, and leading by example. As Link Crew, we "link" incoming freshmen to high school. We host freshman orientation prior to the beginning of the year and then support freshmen throughout the year by hosting rallies, movie nights, tailgates, and more. We also run the Freshman Lounge located in FL-1. See below for some examples of what you can expect in Link Crew. As part of Link Crew, you will be looked to as a leader on campus who is willing and able to take the initiative and embody what it means to be an AB Miller Rebel.

Link Crew is open to all junior and senior students. There is both a Link Crew class (fourth period) and a club for those who wish to join but do not have room in their schedules.

**Link Crew hosts or participates in things like...**

- Freshman Orientation
- Cheer Fest (a rally specifically for freshmen)
- Freshman Tailgate
- Various activities geared toward freshmen-Attend football, basketball, and other games to support our teams and exemplify school spirit
- Run the student lounge in FL-1 three days per week
- Collaborations with other programs such as ASB
