

Naugatuck Valley STEM Inclusive Opportunity Network (NViSION)

Program Description

The NViSION Scholars Program provides students with \$2,500-7,000/semester, as well as extensive student support services that include a summer orientation to help students succeed in college-level courses.

Requirements: Students must have a minimum high school GPA of 2.5 with noted accomplishments in STEM courses. Students must be a US citizen, permanent resident, national, or refugee. Students must have demonstrated financial need, including Pell Grant eligibility, as determined per CT State Naugatuck Valley's Office of Financial Aid. Potential NViSION Scholars must commit to enrolling full-time at CT State Naugatuck Valley in a supported Science, Technology, Engineering or Mathematics degree program until completion of the degree and/or transfer to a 4-year college or university. Please note: The summer orientation component of this program occurs in August prior to the start of the student's first fall semester. More information about the NViSION program, including a digital version of this application, can be found at ctstate.edu/nvision
