## Last Month

In February we tried paint marbling art, weaving with DIY looms made from cardboard, drew our own temporary tattoos, and learned about the science of sour through making sour patch grapes and a cabbage juice ph indicator!

## Reminders

Please check our lost and found regularly, help us remind students toys/games from home do not belong out at KC, and make sure to contact us if your child will be absent!

## Coming Up

This month we will be celebrating National Oreo Day through some fun challenges, will learn what happens to an egg when it sits in vinegar, and learn an easy drawing trick to make art look 3D!
