Connect your user account to your student(s). Do not skip this step.

There are two methods for you to “Add a person” to your PARENT USER ACCOUNT:

Option 1: If the school has sent you a 16 digit key, then select the box that says “Yes, I have a key” to continue.

Option 2: If the school did not send you a 16 digit Key, select the box that says “No, I do not have a key” to continue.

You will need your student’s **Student ID#** and **Data of Birth** to use this option.

Add a student or family member

Registration Progress: Step 4 of 5

Yes, I have a key: If you already have a student/any students enrolled in the school a Registration Key has been created and has been sent to you already. Select this option and enter the Registration Key. The system will automatically create your Family (household) Account and connect student Member Profiles.

No, I do not have a key: Take me to more options for finding or creating an account.

Yes, I have a key

Add your student(s) to your user account. On this is the page, enter the Student ID# and Birth date for your student. Select “**Link Family**” once you have entered this information. If you have more than 1 student, the system **will try** to link all your students at the same time. If the system is unable to link you to all your students, you will need to repeat this step for each student in your household.

Please complete the form below and click 'Link Family' to link your account.

Student ID

Birth Date

Connect Family

Finish connecting the new family to your account.
