

LAUNCH EXPEDITIONARY LEARNING SCHOOLS

WELCOME TO LAUNCH

A COMMUNITY WHERE EVERYONE BELONGS & CAN SUCCEED

Our mission is for students to develop the knowledge, skills, and character to disrupt inequities in society and build a better world.

EDUCATION MODEL

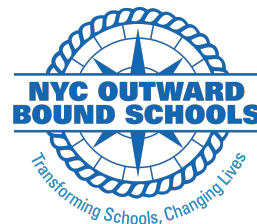

EL EDUCATION SCHOOL

We are grounded in the EL Education model, which focuses on three dimensions of student achievement: **Mastery of Knowledge and Skills, Character and High Quality Work.** We believe that engaging students in work that is challenging, adventurous, and meaningful results in deeper learning and higher achievement.

NYC OUTWARD BOUND

Launch is proud to be the only charter school in the NYC Outward Bound Schools Network. As a NYCOB school, Launch offers an interdisciplinary curriculum grounded in Crew, project based learning, student engaged assessment and outdoor adventure.

RESTORATIVE JUSTICE PROGRAM

At Launch, we prioritize Restorative Justice as a cornerstone of our community. We focus on developing students' social-emotional skills to reaffirm relationships. When conflicts arise, our Crew support circles provide a safe space for repairing relationships through open dialogue. These practices equip students with essential skills for conflict resolution, empathy, and a strong sense of community at Launch.

TRANSFORMING THE FUTURE OF EDUCATION

NYC'S FIRST K-12 EXPERIENTIAL LEARNING ECOSYSTEM

Launch High School will open as part of Runway Green, NYC's first state-of-the-art K-12 learning ecosystem at Floyd Bennett Field, Brooklyn. This transformational learning ecosystem, built on 1,300 acres of National Park Service land, will directly provide access for over 50,000 students to career exploration and work-based learning focused on issues of sustainability, empowering them to become leaders in the Green Careers of the future.
