EPIPHANY SCHOOL

AUCTION 2025

YOUR GENEROSITY FUELS OUR MISSION

Every dollar raised tonight helps make Epiphany School a place where teachers thrive and students have what they need to succeed.

INVESTING IN TEACHERS & STAFF

We know inspired teachers inspire students. This year:

- \$200,000 was invested in professional development, including:
 - Fall Educators Conference
 - People of Color Conference
 - Responsive Classroom Training
 - CASE NAIS & NWAIS workshops
- 240+ hours with STEPS specialists providing on-campus consultation and supporting teachers and students.
- 15+ teacher leaders earned \$60,000+ in stipends for leading year-long programs including: Mentorship, DEI, Learning Skills, Garden & Recess, and Instructional Assistant Development.

SUPPORTING EVERY STUDENT

Funds raised tonight help us offer the resources, programs, and people that make learning come alive for every student at Epiphany School.

From time with specialists to innovative curriculum, joyful garden and recess experiences, and more—your support helps us meet each child where they are and challenge them to grow.

\$995,949 in financial aid was also awarded this year. Representing A **16% increase** from last year. This includes support for:

- Tuition
- Learning Skills
- Extended Day

THANK YOU VOLUNTEERS

Epiphany School Auction 2025: *Midnight in the Garden* would not be possible without the dedication and generosity of our amazing volunteer community.

We are so grateful for the time, energy, and heart you put into supporting our program—thank you!
