NMS had an amazing workshop on Thursday at Codman Academy Public Charter School. The students were incredibly engaged, contributing thoughtfully to discussions on critical topics like race, religion, and gender identity. The students openly shared their perspectives, fostering a space for meaningful dialogue and learning with their peers from Codman Academy. I would also like to express my gratitude to our NHS Playbook leaders for their essential role in facilitating this experience for our students. And, thank you to Mrs. Marani, Mrs. Coffey, Mrs. Borchert and Mrs. Schaeffer.

NORWELL MIDDLE SCHOOL READING CHALLENGE

We are excited to tell you about a school-wide Reading Challenge. Throughout the 2024-25 school year, we are encouraging our students to read **more!**

To help them on their way, we are devoting Friday Flextime to independent reading. **They** choose the books or magazines that they want to read.

And we could use your help!

According to [research](#), “effective programs include active parent involvement, partnerships among community institutions, and collaboration among significant adults in students’ lives.” Your help and support at home is a crucial factor in supporting reading development. So how can you help?

1. PUT BOOKS IN THEIR HANDS

Get books, magazines, and graphic novels that match your student’s interests. Head to the library. Hit a bookstore. Buy Lacrosse or Fortnite magazines—*whatever they’ll read!*

2. ENCOURAGE READING IN FLEX TIME

According to the research, reading is positively correlated with [a strong vocabulary](#), [higher math scores](#), [higher science and history scores](#), [strong writing skills](#), [higher scores on standardized tests](#), [reduced levels of stress](#), [increased empathy](#), [more brain connectivity](#), and [even a longer life!](#) Please encourage your student to read during Flex Friday.

3. KEEP IT GOING AT HOME

We know life is busy! We get it! But where could you encourage more reading? Before bed? Before screen time? On a long car ride? Read the same book as your child and watch the movie after finishing the book? Gift a grandparent the same book and do a child-grandparent book-club date? Think creatively to get students engaged with reading more at home!

HAVE USED OR UNWANTED MARKERS, PENS WOODEN OR MECHANICAL PENCILS?

Last year the Norwell Recycling and Sustainability Committee successfully initiated a project to recycle crayons and continues to collect used or unwanted crayons. We are now adding markers, pens and wooden and mechanical pencils to our collections for recycling. We are working in partnership with Staples, which has recently added them to their list of materials that can be recycled.

Just wanted to update you on the recent collection of writing tools and crayons for recycling...25 pounds kept out of landfills and 9 pounds of pencils, crayons and colored pencils for reuse. Thanks to everyone for their continued efforts.
