

### A Note from the Headteacher :

I am very excited to be writing the newsletter at the end of my first full week at Woodlands Park.

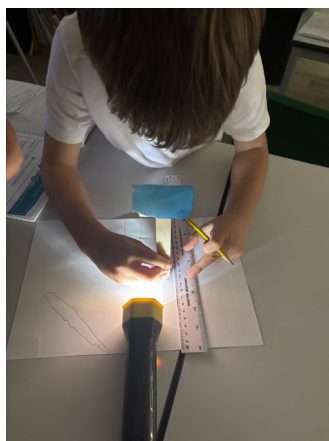

I understand that Mr Miles set the children an attendance challenge with a prize of an Amazon voucher for those who had above 95% attendance. I will be looking at the attendance records on Tuesday and we will be making the draw to find our lucky winner!

Please continue to make sure that the children arrive on time and attend school regularly. Did you know that...

- The children have 175 days holiday and 190 days in school. Make the 190 days count!
- 90% attendance means your child has missed 19 days or up to 100 lessons.
- If a child arrives late after registers close they will be marked as absent for half a day.

*Miss Dawkins, Headteacher*

### Year 3 Science

Year 3 have been busy learning all about light and shadows this week. Here you can see their experiment creating and measuring shadows. If you would like to do some more investigating at home, then try following this link:

[BBC Bitesize Shadows](#)

### Being Environmentally Friendly!

We have started work taking part in the Great Big School Clean this week. We collected lots of litter from the hedges and edges of the playground. This is Robins class on duty with their litter pickers!

### Scholastic Book Fayre

The Book Fayre has arrived and has been doing a roaring trade over the last couple of days. If you have not had a chance to visit and look at the books, the final day to come along is Monday 31st March. Please help us by supporting this event—the more commission we make, the more new books we can get for the school library!

### A BIG thank you...

To everyone who came along to support our reading breakfast. It was great to see you taking part. If you missed out this time around, look out for our next date in the summer term!

### Finally, a reminder:

**School will close for pupils for the Easter break on Wednesday 2nd April at the end of the school day 3.15pm.**
