▼ Employment Relationship

This Personnel Handbook is presented for your information. The CPCSC intends to continue offering the benefits contained herein, although the School Corporation reserves the right to change or revoke benefits, temporarily or permanently, if such action is in the best interest of the School Corporation.

The Personnel Handbook is not a contract or promise of employment for any period of time. The relationship between the CPCSC and the employee, unless there is a signed written Employment Contract, is at will and can be terminated by the employee or CPCSC for any reason that is not illegal, or without any reason.

Finally, if any Indiana, Federal law, or School Board Policy is more stringent than in the statements in this Personnel Handbook, the Personnel Handbook is hereby modified to comply with such laws.

Employment Practices

▼ Equal Opportunity Employment

It is the policy of the Crown Point Community School Corporation not to discriminate on the basis of race, color, religion, sex, national origin, age, limited English proficiency, or handicap in its employment policies as required by the Indiana Civil Rights Act (I. C. 229-1, I. C. 20-8.1-2) Titles VI and VII of the Civil Rights Act of 1964, the Equal Pay Act of 1973, Title IX (1972 Education Amendments), and Section 504 of the Rehabilitation Act of 1973.

This policy applies to all terms and conditions of employment including, but not limited to, hiring, placement, promotion, termination, layoff, recall, transfer, leaves of absence, compensation and training. Merit will determine who is hired and how an employee progresses through the company. This idea is critical to shaping the kind of School Corporation we want to be in the future.

▼ Harassment/Bullying

Thoughtless, unprofessional or insensitive words and actions that are hurtful, offensive or of a harassing nature to any employee or student have absolutely no place in the workplace. Bullying of other employees, patrons, or students with the intent to harass, ridicule, humiliate, intimidate, or harm others through overt, repeated acts or gestures, including verbal or written communications transmitted, and/or physical acts committed, or any other similar behavior is prohibited. Inappropriate behavior should be reported immediately to your department director, building principal, or in his/her absence, the Human Resources Department. Any concerns will be handled with the utmost discretion. It is only through the daily efforts of everyone that CPCSC can provide a supportive and fair environment for all employees.

As an employee of CPCSC, you must be mindful that students are also entitled to a supportive and fair environment. Accordingly, behavior among students that is inconsistent with the ideals described in the preceding paragraph, should be discouraged and controlled by you. Should you be unable to rectify the problem, you should immediately report the situation to your department director, building principal, or in his/her absence, the Human Resources Department.

Counseling, corrective discipline, and/or referral to law enforcement will be used to change the behavior of the perpetrator.

▼ Sexual Harassment

CPCSC strictly prohibits any employee, male or female, from harassing any co-worker, student, or patron.

Sexual harassment is contrary to the basic standards of conduct between individuals and is prohibited by federal and state regulations. It shall therefore constitute a violation of CPCSC's policy for any employee to engage in any of the acts of behaviors defined below and such misconduct will subject an employee to discipline up to and including discharge.

Sexual harassment is unwelcome sexual advances, requests for sexual favors and other verbal or physical conduct of a sexual nature when such conduct:

1. Is made explicitly or implicitly a term or condition of employment or
2. Is used as a basis for employment decisions, or
3. Has the purpose or effect of unreasonably interfering with work performance or creating an otherwise intimidating, hostile, or offensive working environment.

This policy applies to all employees of CPCSC; anyone associated with the company, as well as vendors, contractors, trades people, etc., doing business with the company.

Complaints of harassment of any type should be directed to your department director, building principal or in his/her absence, the Human Resources Department. Any such complaint will be treated in strict confidence and will be investigated promptly.

▼ Probationary Status

All newly-hired support staff of the CPCSC, other than Exceptional Learner Professional, are considered probationary employees during the first 60 days of employment. Probation allows both the CPCSC and the new employee the opportunity to determine whether the employment arrangement is satisfactory.

- Exceptional Learner Professionals are considered probationary employees during the first 45 days of employment.
- Transportation Department Drivers are considered probationary employees during the first 90 days of employment.

During the probationary period, the supervisor will meet with the employee to discuss his/her progress in learning and performing the assigned tasks of the job. At the end of the probationary period, the supervisor will evaluate the employee and inform the employee as to whether they will continue employment with the CPCSC. The at-will employee may be dismissed at any time if the supervisor determines that his/her performance does not meet CPCSC standards.

▼ Evaluations

The Crown Point Community School Corporation is interested in employing the best possible personnel. In order to maintain a high standard of performance, an annual evaluation will be completed. In addition to the evaluation process, employees are encouraged to seek feedback from their supervisor as to his/her job performance on a regular basis.

Exceptional Learner Paraprofessionals will receive bi-annual evaluations. These evaluations will take place by the end of December and by the end of the school year.

▼ Seniority

Crown Point Community School Corporation values its long-term employees. They represent an investment in time and training on our part, and experience, interest and loyalty on the employee's part.

Seniority is also a consideration in promotion of our employees but is not the sole basis on which promotions are made. Ability and performance in all areas are of more importance.

▼ Policy Manuals

A current policy manual is maintained online at the Corporation website: <https://go.boarddocs.com/in/cps/Board.nsf/Public>
(<https://go.boarddocs.com/in/cps/Board.nsf/Public>).

This manual contains School Board adopted policies. Many of the sections of this handbook are based on policy and procedure. Since this handbook is a summary of School Board Policy, employees are encouraged to familiarize themselves with these policies. Further, School Board Policy supersedes this handbook in cases where conflict exists. To learn more about the policies, your building principal, department director or the Human Resources Department should be consulted.

▼ Job Postings

The Crown Point Community School Corporation believes in hiring the best possible candidate for a position. The School Corporation also supports promotion from within as well as providing employees an equal opportunity for consideration for any position that becomes available.

Vacancies are posted on the Human Resource website. The posting requirement may be waived by the Human Resources Department. Employees who are interested in a posted position should inform the Human Resources Department, in writing, via email as soon as possible.

Individuals should be employed in their current position for at least six (6) months by the School Corporation before seeking a new position (excludes bus drivers and attendants). This requirement may be waived upon request and approved by the employee's department head/principal and the Human Resources Department.

At the department director's discretion, internal department transfers within the affected department may be filled without posting. Unfilled or resulting vacancies will follow the regular posting procedures.

▼ References

Requests for references should be referred to the Human Resources Department. As a general rule, Crown Point Community School Corporation does not release detailed information regarding past performance; rather, it provides basic information regarding employment.

▼ Pay Days

All employees are paid every two weeks on the 5th and 20th of each month by direct deposit to the financial institution of his or her choice. If a payday falls on a bank holiday or weekend, the payday will be advanced to the last school day preceding the holiday or recess; provided, however, the payday will not be advanced more than two (2) days. Pay records will be available online through Doculivery.

▼ Licenses, Transcripts and Educational Records

Each employee's personnel file should contain a copy of any relevant licenses, transcripts or proof of education. These documents should be provided to the supervisor recommending a person for employment.

▼ Paycheck Deductions

Deductions are made automatically for federal and state withholding tax, retirement system contributions, and any employee/family insurance plan premiums not paid by the School Corporation.

The number of dependents claimed for withholding tax deductions can be changed by completing forms available from payroll information.

English

Selected benefits may be paid for via paycheck deductions.

▼ Hourly Pay Schedule

The Crown Point Community School Corporation recognizes the value of experience that is gained over time and appreciates the long-term commitment of those employees. In order to determine which of the pay levels an employee has attained, the following provisions apply:

1. Support personnel hired between July 1st and December 31st of the annual work year will be credited with a full year experience for purposes of placement on the hourly rate pay schedule.
2. Employees hired between January 1st and June 30th will not be given experience credit for that period toward advancement on the hourly rate pay schedule (i.e. they will remain at the same experience level for the ensuing July 1st to June 30th period).
3. The Board of School Trustees will consider adjustments to the pay schedule for employees on an annual basis. Adjustments to pay rates will be based on a July 1st to June 30th calendar for 12 month employees unless otherwise noted by the School Board.

For other employee groups, the new rates will take effect with the start of their duties for the ensuing school year.

▼ Work Schedule

The daily schedule varies by position and location. Please see your department head for specific guidelines.

The regular work-week for staff shall consist of five (5) days unless otherwise noted.

Hours of work vary by position and location. Please see your department head for specific guidelines. The following positions will work an eight (8) hour day, exclusive of lunch, unless otherwise noted.

- Bus Garage Mechanics
- Maintenance Personnel
- Custodial Personnel
- Central Office Support Personnel (unless otherwise noted)

[Skip To Main Content](#)

English

All paraprofessionals and instructional aides will work no more than a seven (7) hour day, exclusive of lunch, unless otherwise noted.

▼ Adjustment to Regular Schedule

The contribution made by our employees is vital to the efficient operation of the School Corporation. Employees will report to work on all scheduled days and in the event that schools are closed or delayed, twelve (12)-month employees are expected to report to their respective work assignments as soon as safety will allow.

1. Adjustments to starting time and ending time may be determined by the Superintendent of Schools or the Director of your department.
2. Adjustments to the hours worked by the twelve (12)-month employees may be adjusted (reduced) at the discretion of the Superintendent of Schools.

▼ Emergency Closings

Crown Point Community School Corporation appreciates the effort of employees who report to work despite the problems created by snow or other weather emergencies.

Therefore, anyone reporting late due to weather conditions will not have their pay reduced if the delay is reasonable, given the location of home and mode of transportation of the employee.

Specifically:

1. On days that schools are closed or delayed, twelve-month employees are expected to report to their assigned work stations as soon as safety will allow.
All other employees (9-10-11 month employees) do not report to work unless school is in session.
2. Due to special circumstances, the Director of Buildings and Grounds may make special assignments for custodial or maintenance personnel.
3. There will be no compensation for days that buildings are closed or delayed and employees do not report for their regular duties.

The scheduling of lost work days due to weather will be determined by the employee's department head.

▼ 9-10-11 Month Employees Emergency Closing

Generally speaking 9-10-11 month employees work the days that students and teachers are in session. If there is an emergency closing of school employees in this group do NOT report for work. The missed days will be added at the end of the year. This process is comparable to the "make-up" days for snow that is used for students and teachers.

▼ Overtime (Policy 4413 in the Appendix 29)

The Board of School Trustees discourages overtime work. An employee will not work overtime without the express approval of his/her supervisor. All overtime work must be expressly approved in writing by the superintendent or his/her designee. All supervisory personnel must monitor overtime on a weekly basis and report such time to the superintendent or his/her designee. Principals or supervisors may need to adjust daily schedules to prevent employees from working more than 40 hours in a workweek.

Accurate and complete time records of actual hours worked during the workweek will be submitted electronically by each employee to their supervisor. The supervisor will review work records of employees on a regular basis to make an assessment of overtime use. Employees will work the regularly scheduled time unless additional time is granted by their supervisor or the Human Resources Department prior to the additional time requested. Time worked above and beyond the regular schedule shall be compensated by:

1. Trading Time within the work week - the supervisor may allow an employee to leave early or arrive late based on the amount of time worked over. Such time must be taken within the same work week.
2. Compensatory Time (Comp Time) - is paid at a rate of 1.5 hours of comp time (time off) for every hour worked over a 40 hour week. Comp time should be taken within the same month that it is earned. Employees may only accrue a maximum of 40 compensatory time hours.
3. Overtime - is paid at the rate of overtime wages of 1.5 hours for every hour worked over. Overtime is based on having worked a 40 hour week. Sick days or other paid leave days do NOT count towards working a 40 hour week.
4. Additional Time - the supervisor may approve additional time during a week at regular pay up to 40 hours weekly.
5. Policy 4413 Overtime and Compensatory Time is provided in the Appendix. Your electronic signature provided with this handbook acknowledges that you have read and reviewed this policy.

▼ Credit for Service

Crown Point Community Schools recognizes that employees transferring within departments and between departments should receive credit for years of service. The school corporation further recognizes that new employees bring with them skills and experience that is worthy of credit.

1. Service outside of C.P.C.S.C. may be awarded, if the former position is similar to the position with the school corporation, at a rate of one year for three years not to exceed the second tier. Credit is for pay determination only and not for severance.
2. Service with C.P.C.S.C. may be awarded for those employees who transfer between similar positions at a rate of one year for one year.
3. Service with C.P.C.S.C. may be awarded for those employees who transfer between departments (i.e. custodial to food service), between categories (9 month to 12 month), or to a position of different responsibilities at a rate of one year for two years not to exceed the second tier.
4. A C.P.C.S.C. employee transferring positions may be placed above lane B per the discretion of the Superintendent.

In order to determine which of the pay levels an employee has attained, the following provisions apply:

1. Support personnel hired between July 1st and December 31st of the annual work year may be credited with a full year experience for purposes of placement on the hourly rate pay schedule.
2. Employees hired between January 1st and June 30th will not be given experience credit for that period toward advancement on the hourly rate pay schedule (i.e. they will remain at the same experience level for the ensuing July 1st to June 30th period).
3. The Board of School Trustees may consider adjustments to the pay schedule for employees on an annual basis. Adjustments to pay rates will be based on a July 1st to June 30th calendar for 12 month employees unless otherwise noted by the School Board.

▼ Email Access

All employees are asked to review and sign the Corporation Acceptable Use Policy. Each employee is provided with a corporation email address. This address is accessible to the employee from any computer using the web mail system. The employee email ID and password is also used to access the employee only side of the corporation web pages. To do you must click the "sign in" button in the upper right hand portion of the web page. Supervisors will make every effort to avoid circumstances which will require non-exempt employees to work more than 40 hours each week. The workweek for school corporation employees will be 12:00 a.m. Sunday until 11:59 p.m. Saturday.

Overtime and Compensatory Time

The Board of School Trustees discourages overtime work by non-exempt employees. A non-exempt employee will not work overtime without the express approval of his/her supervisor. All overtime work must be expressly approved in writing by the superintendent or his/her designee. All supervisory personnel must monitor overtime on a weekly basis and report such time to the superintendent or his/her designee. Principals and supervisors will monitor employees' work, will ensure that overtime provisions of this policy and the law are followed and will ensure that all employees are compensated for any overtime worked. Principals or supervisors may need to adjust daily schedules to prevent non-exempt employees from working more than 40 hours in a workweek. Accurate and complete time records of actual hours worked during the workweek will be submitted electronically by each employee to their supervisor. The supervisor will review work records of employees on a regular basis to make an assessment of overtime use.

In lieu of overtime compensation, non-exempt employees may receive compensatory time off at a rate of not less than one and one-half (1.5) hours for each one hour of overtime worked, if such compensatory time, is authorized by the immediate supervisor.

Employees will be allowed to use compensatory time within a reasonable period after requesting such use if the requested use of the compensatory time does not unduly disrupt the operation of the school corporation. Employees may accrue a maximum of 40 compensatory time hours.

Accrual of more than 40 hours of compensatory time will be paid as overtime pay at the rate earned by the employee at the time the employee receives such payment for hours worked in excess of 40. In addition, each June 30th and/or upon leaving the employment of the school corporation, an employee must be paid for any unused compensatory time at the rate of not less than the higher of the final regular rate received by the employee.

Non-exempt employees whose workweek is less than 40 hours will be paid at the regular rate of pay for time worked up to 40 hours. Such employees will be provided overtime pay or compensatory time as provided above for working more than 40 hours in a workweek.

Employees and Supervisors will be provided with a copy of this policy and employees will be required to sign this policy to acknowledge their understanding of overtime and compensatory time provisions. Such signed policy will constitute the written agreement required by federal law for receiving compensatory time.
