MASTER SCHEDULE AND TEACHER SCHEDULING

MASTER SCHEDULE GOALS

- ❖ As program numbers continue to shift up and down we have to maintain a master schedule that is a benefit for the masses.
 - Balancing classes and period offered
 - Following Dallas College Seat Capacity per course
 - Offering classes when and where we can get a Dallas College professor so that we do not have to have an INET course.

TEACHER SCHEDULING GOALS

- ❖ Maximize ECHS / PTECH teachers as core content and facilitation teachers
- ❖ Facilitation teachers need to be specialists in the area of the DC College Course if possible.
- ❖ Scheduling pure cohorts of ECHS and P-TECH courses
