Pediatric Behavioral Health

An intensive therapeutic day program for children 3-10

NOW ACCEPTING REFERRALS

At Kids Thrive, we create a safe and therapeutic cocoon for children to build relationships, repair regulation, and improve their behaviors.

- Day Treatment Program
- Intensive Outpatient Program
- Outpatient Counseling
- Art, Music, Pet, and Play Therapy
- Gross Motor Play
- Sensory Integration

What makes Kids Thrive different?

- Intensive level of one-on-one support
- Comprehensive services available in one place
- Individual skill sessions that address parent-identified goals
- Prepares children to thrive in classroom settings

Monday-Friday 8:30 a.m. - 3:30 p.m.

Program and transportation covered by Medicaid (based on eligibility)
