Subject: **New Providence Board of Education invites community to collaborate in the Strategic Planning process**

The New Providence School District continues to hold a series of Strategic Planning Community Forums during the 2024-2025 school year to aid in the development of the New Providence Board of Education Strategic Plan for the next 3-5 years.

Superintendent Dr. Lauren Zirpoli and Board of Education members moderate these listening sessions, each focused on a particular topic of interest to the school community. Community members, parents, staff and students are invited to attend and participate in these sessions, which will provide an opportunity for community sharing and collaboration. The Strategic Planning Goals will be announced at the May 29 Board of Education meeting.

The next session is on Tuesday, March 4, 2025 at 7pm in the Allen W. Roberts media center, and focuses on Elementary Instruction, Curriculum and Programs. All remaining sessions will be held in the High School/Middle School Media Center. Each session will be limited to 60 minutes.
