

Strategic Plan

Winton Woods City School District

Core Values: Educational Excellence, Integrity, and Appreciation for Every Student's Uniqueness

Mission Statement: Winton Woods City Schools actively engages and challenges all learners to reach their maximum potential.

Three-Year Vision: Winton Woods City Schools maintains a standard of excellence, with the Board of Education, staff, students, parents, and community all contributing to that achievement.

Priorities/Goals:

A. Strengthen student achievement.

We are committed to:

- achieving an excellent rating on the local report card.
- offering a rigorous, comprehensive K-12 curriculum.
- increasing parent and community engagement in our students' academic success.

B. Strengthen the district's financial position.

We are committed to:

- increasing student enrollment.
- reducing current operating expenses.
- ~~determining if a bond issue for updated facilities will reduce future operating costs.~~ (Completed November 2016)

C. Strengthen communication and engagement with the community.

We are committed to:

- increasing understanding of the district's priorities and goals.
- using a variety of media that promotes two-way communication.
