

Learn to Fly Here

Fontana Unified School District and
AB Miller High School Present:

The Future of Aviation

- Earn your pilot's license before you graduate high school.
- Our ground school will prepare you to take your FAA Private Pilot Written Test and Part 107 Drone Operator's License.
- Pass your (ACS) Airman Certification Standards on FAA Approved Redbird Flight Simulators.
- Fly in a Cessna 172 and manipulate the controls as part of your course-work.
- Amaze your friends and family.
- UC-G approved elective, Articulated with Mt. SAC
