

1-Week Summer Program

STEAMotion

STEAMotion is a one-week summer academy for grades K-8 that integrates Science, Technology, Engineering, Arts, and Mathematics (STEAM) with movement-based learning. Students will engage in hands-on activities focused on physics, mathematics, computer science, and engineering, both in the classroom and through interactive challenges.

STEAMotion is offered by the Rice Office of STEM Engagement in collaboration with various educational agencies.

Program Highlights

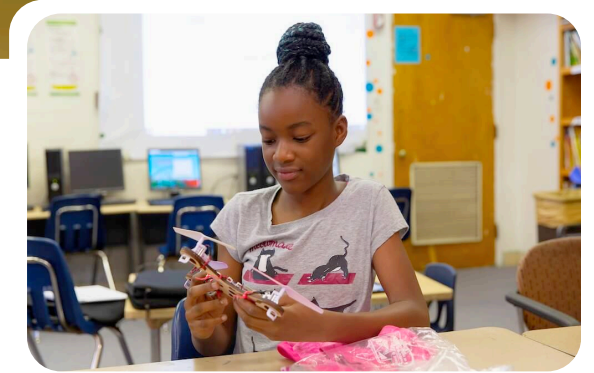

- Hands-on STEAM group projects.
- Develop problem-solving and critical-thinking skills.
- Gain insights from experienced educators and guest speakers.

Registration Information

- Registration fee required - \$399
- Participants will need to provide their own lunch.
